Hardwood Logs

Only the very best burning species are selected for cutting e.g. Ash, Beech, Birch, Oak and Sycamore. All timber is sourced from sustainable UK forestry operations.

Hardwood logs are available with an approximate 2.5m³ capacity load, [delivered locally](#) for £300 (inc. VAT and delivery).

. Please contact us for details.

Kiln dried logs

We are now a kiln dried log retailer for Certainly Wood: <http://www.certainlywood.co.uk/> These are 100% quality assured British kiln dried hardwood for immediate burning on all wood burning appliances.

Kiln dried logs give the ultimate clean burn with maximum heat output.

Contact us to find out more.

Kindling, Briquettes & Pellets

Kindling can be supplied either bagged or netted, and briquettes and pellets are also available.

Wholesale/Bulk Orders - national delivery available

Bulk bags can be dispatched to any UK mainland address. Please enquire for details.
